## Feeding guide

Please note that each dog has individual characteristics and metabolism, and his feeding requirements will vary with breed, environment, activity level and age. We recommend using the recommended portions as an initial guideline, and then monitor your dog's weight and adjusting daily ration accordingly. We also recommend feeding him twice daily.

**VERY IMPORTANT:**  
Always remember to keep fresh and clean water easily available to your furry friend.

## Mix & Match

Naturea suggests that you alternate between the various fish and meat wetfood recipes, and that you regularly include wetfood and dryfood based diets to enhance your furry friend's eating pleasure adding variety to its diet.
