Judge of Hennepin County Court
Criminal Division

This is to notify you of Ifrah Hassan's admission to a Direct Care & Treatment facility on 1/24/2019, to Unit Delta, a locked unit. Ms. Hassan appeared before your court on a criminal charge, Court File Number 27-CR-18-19274. She was found incompetent to proceed to trial and was referred for civil commitment under the provisions of Rule 20 of the Minnesota Rules of Criminal Procedure. She was subsequently civilly committed to the Commissioner of Human Services as mentally ill.

It is understood that if there are current criminal charges pending, the criminal court and the prosecuting attorney will be notified when this patient is deemed competent to continue these court proceedings.

Before authorizing a proposed reduction in custody for Ms. Hassan, the treatment team, on behalf of the Anoka Metro Regional Treatment Center Medical Director, will notify the criminal court and prosecuting attorney of the proposed plan. If the Court requires approval before any reduction in custody, the approval of the Court will be requested at that time. Reduction of custody means reduction in custody status or release and includes: a transfer from a secure treatment program to a non-secure treatment program; a discharge from a State Operated Services program; a provisional discharge under civil commitment; the authorization of therapeutic passes or other restrictions for custody reductions noted in Ms. Hassan's Court order.

Patients civilly committed and after a finding of incompetency under Rule 20.01, subdivision 7, may, in limited circumstances, require staff supervised transport outside the facility for medical appointments or for discharge planning (if applicable). The criminal court and prosecuting attorney will not receive notice of these supervised transports.

Should you have specific concerns regarding increased freedom of movement of this patient, please address them to me. Please respond in writing, or I can be reached at the phone number listed below. I will notify you if and when the patient is ready for any reduction in custody. By copy of this letter I am notifying the prosecuting attorney of this communication.
