HARRIS, BRANDON 62166

01/12/2023

On 01/12/2023 I responded to the Minnetonka Police Department lobby for a report of fraud. I made contact with reporting party MATTHEW DAVID GUERTIN DOB 07/17/1981 in the department lobby.

**GUERTIN STATEMENT:**

- He has filed for and acquired a patent for his invention, "Motorized Rotatable Treadmill and System for Creating the Illusion of Movement."
- The machine is used for filming cinema.
- He pitched the patent to Mark Roberts Motion Control (mrmoco.com).
- The CEO, Mark Roberts, advised that the technology already existed and is used by Photo Robot (photorobot.com).
- He looked at the Photo Robot website and observed the technology used to be similar but different from his.
- While reviewing the website over a number of days he realized the website was changing to reflect his patent.
- The website is being updated in real time with information from his design.

**Minnetonka Police Department**14600 Minnetonka Blvd Minnetonka, MN 55345  
(952) 939-8510

Case #:MP23000151

Incident #: MP23000151

- Photo Robot is effectively stealing his patent by making it look like they have already had the technology.
- He has proof of the fraud.
- He has been downloading the website and has noticed a number of discrepancies between the current version and the old version of the website.
- He believes the master mind behind all of this is Mark Roberts who he initially discussed the patent with.
- He believes that he could sell the patent to Netflix for 100 Million dollars.
- He originally called the FBI who advised he needed to file a report with his local police agency.
- He understands there is nothing the local police can do.

**OFFICER OBSERVATIONS ACTIONS:**

- Guertin advised that he has many gigabytes of evidence to show the fraud.
- I advised Guertin to connect with a computer forensicator in order to parse the data into a readable format.
- I agreed with Guertin that this issue is beyond the scope of the local police department.
- I advised Guertin to provide the FBI with the case number and the parsed data when he files the report with them.

**DISPOSITION:**

- Information Report.
