Hi Matt,

10AM tomorrow, Thursday works.

Please note that our office is located on the 11th floor and that you will need to ask for elevator access at that security desk on the 2nd floor (skyway level). If you have any issues, please give me a call at 612-852-0619 and I can come and let you up.

I know that the Photorobot website is changing - but please understand that it would be the onus of the owner of the website to show that they had these pages up on the internet before you filed your provisional application. It is pretty clear so far that they did not and that these changes have all been post your and Netflix's application filing. These pages are not prior art to you and would not be invalidating in court as this material is all being added via edits now, well after your application has been filed.

Best regards,

Amanda
