

# CENTERLESS TABLE

A universal solution for shadow-free product photography

## perfect images

With no compromise between quality and efficiency, the Centerless Table allows for picture-perfect results of products from small to large. The optical turning glass plate enables shadow-free image capture of transparent, reflective, light or dark products. Capture items the size of a ring to a suitcase in 2D, 360 and 3D, with rich detail and resolution.

## No clipping required

Thanks to a unique lighting system, the Centerless Table enables product photography with no clipping required. The optical glass plate and diffuse background allow photographers to light products from all sides. This creates a natural, white background for high-quality photos, from still images and packshots to 360° imagery. The Centerless Table supports two plate sizes, with its wider version offering a 130cm diameter plate and a 40kg load capacity.

# CENTERLESS TABLE

### Simple Calibration

Simple automatic calibration of the positioning system at the touch of a button

### Easy Setup

Easy set-up of objects to the centre of rotation using laser-guided positioning

### Up close

Ideal solution for photographing partially or fully magnified objects

### Tidy

Lights on holders – no cables on the ground

TECHNICAL SPECIFICATIONS

Plate Diameter

1 300 mm

850 mm

- Minimum step
- LAN, Wi-Fi
- Minimum step
- Rest API Documentation

PARAMETERS

Plate Diameter

1 300 mm

850 mm

- Minimum step
- ≤ 0.1°
- ≤ 0.1°
- Shortest Turning Time (0° – 360°)
- 4.5 s
- 4 s
- Deviation per rotation
- ≤ 0.5°
- ≤ 0.5°
- Load bearing capacity
- 40 kg / 88 lbs
- 40 kg / 88 lbs
- Table separate input power
- 500 W
- 500 W

- Supply voltage
- AC 115 / 230 V
- AC 115 / 230 V

SURFACE

- Table separate, Kit R (HxWxD)
- 2110×1720×1570 mm / 83" × 67,7" × 61,8"
- 2110×1180×1430 mm / 83" × 46,5" × 56"
- Table Kit R + Arm V8 (HxWxD)
- 2110×2570×2070 mm / 83"×105"×81,5"
- 2110×2030×1930 mm / 83"×80"×76"
- Table, Kit R + Arm V8 + lamp mounts
- 2850×4720×2850 mm / 112" × 186" × 112"
- 2850×4180×2380 mm / 112" × 164,5" × 93,7"
