Court File No. 27-CR-23-1886

Plaintiff,

vs.

Matthew David Guertin,

Defendant,

**ORDER DENYING
DEFENDANT'S MOTION TO
REPRESENT SELF PRO SE**

Defendant, Mr. Matthew David Guertin, brought a motion on April 3, 2024, to represent himself pro se in the above-captioned matter.

FINDINGS OF FACT

1. Defendant (date of birth 07/17/1981) was charged in MNCIS file 27-CR-23-1886 with Reckless Discharge of a Firearm (Felony) and three counts of Receive/Possess with No Serial Number (Felony) arising from an incident alleged to have occurred on January 21, 2023. On January 25, 2023, Referee Lyonel Norris found probable cause to believe that the offenses were committed, and that Defendant committed them.
2. This Court first found Defendant incompetent to proceed on July 13, 2023, pursuant to Rule 20.01 of the Minnesota Rules of Criminal Procedure.
3. On November 15, 2023, Judge Julia Dayton Klein ordered a subsequent Rule 20.01 evaluation. Defendant was again found incompetent on January 17, 2024.

CONCLUSIONS OF LAW

4. Pursuant to Minn. R. Crim. P. 20.01, subd. 1., a defendant is not permitted to waive counsel if the defendant lacks the ability to voluntarily, and intelligently waive the right to counsel; appreciate the consequences of proceeding without counsel; comprehend the nature of the charge; comprehend the nature of the

proceedings; comprehend the possible punishment; or comprehend any other matters essential to understanding the case.

5. The standard for an individual to waive the right to counsel is the same standard as used to determine competency. *State v. Thompson*, No. A20-1232 (Minn. Ct. App. Jul. 26, 2021) (citing *Godinez v. Moran*, 509 U.S. 389, 396 (1993); *State v. Camacho*, 561 N.W.2d 160, 170-74 (Minn. 1997)). A defendant found to be incompetent is not permitted to waive the constitutional right to counsel. *Id.*
6. Defendant was deemed incompetent to proceed pursuant to Minn. R. Crim. P. 20.01, subd. 2 and, therefore, Defendant currently lacks the ability to waive counsel.

IT IS ORDERED:

1. Defendant's Motion to Represent Self Pro Se is **DENIED**, and Mr. Bruce Rivers shall proceed as the attorney of record.
2. The Defendant shall appear for a six-month review hearing regarding the Rule 20.01 proceedings on July 16, 2024, before the undersigned District Court Judge.

STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

On January 21, 2023, officers with the Minnetonka Police Department were dispatched to a report of shots being fired from an apartment at 102XX 34th St. W., Minnetonka, Hennepin County, Minnesota.

Upon arriving in the area officers heard shots and were able to confirm where the apartment shots were coming from, and that the occupant of the apartment was MATTHEW DAVID GUERTIN, dob 7/17/1981, "Defendant" herein. Defendant was yelling "I'm going to die because they stole my patent" and repeatedly yelled a Minnetonka Police Department case number. Defendant spoke with a negotiator and after some time threw two firearms out of the window: an automatic rifle and a pistol in a case. Defendant eventually came out of the apartment and was placed under arrest. In a post-Miranda statement Defendant reported that he had fired multiple rounds to get the police to respond to his location, and that he had shot into the sky and trees. Defendant estimated he had fired approximately twenty rounds. Defendant said that he could not communicate via his computer or phone because other people had gained control of his computer and other devices. Defendant also said that he had bought the parts and put together the firearms that he had used.

Officers recovered three firearms from the incident: an automatic rifle, a full-size pistol, and a compact pistol. None of the firearms had serial numbers on them. Officers also recovered additional ammunition and body armor inside Defendant's apartment.

Defendant is currently in custody.

FACT, CONCLUSIONS OF
LAW, AND ORDER
REGARDING COMPETENCY
TO PROCEED**

The above-entitled matter came before the district court, on July 7, 2023, for an evidentiary hearing regarding the Defendant's competency. The hearing took place in person in Courtroom 456 at the Hennepin County Government Center. Jacqueline Perez, Assistant Hennepin County Attorney, appeared for the State. The Defendant appeared along with his attorney, Bruce Rivers, Esq. Jill E. Rogstad, Ph.D., LP, ABPP (Forensic), Senior Clinical Forensic Psychologist at the Fourth Judicial District Court, testified at the hearing and the court received into evidence her *Curriculum Vitae* (Exhibit 2), and her Forensic Evaluation Report dated March 10, 2023 (Exhibit 3). The court also received into evidence a copy of United States Patent No. 11,577,177 B2 dated February 14, 2023 (Exhibit 1), as well as testimony from the Defendant.

The matter was referred for hearing to the undersigned district court referee, who after considering the evidence, the arguments presented, and all the files and records herein, reports to the court making the following recommended Findings of Fact, Conclusions of Law and Order:

1. Defendant is currently **INCOMPETENT** to proceed.

FINDINGS OF FACT

The Defendant, Matthew David Guertin, is charged in MNCIS file 27-CR-23-1886 with Dangerous Weapons-Reckless Discharge of Firearm Within a Municipality (Felony), Firearm-

Filed in District Court
State of Minnesota

Serial Number-Receive/Possess With No Serial Number (Felony), Firearm-Serial Number Receive/Possess With No Serial Number (Felony), and Firearm-Serial Number-Receive/Possess With No Serial Number (Felony), from an incident alleged to have occurred on January 21, 2023. On January 25, 2023, the Honorable Lyonel Norris, Referee of District Court, found probable cause to believe that the offenses were committed and that Defendant committed them. He then ordered that a Rule 20.01 evaluation be completed. Jill E. Rogstad, Ph.D., LP, ABPP (Forensic), was assigned to complete the evaluation of the Defendant. She filed her report on March 10, 2023, opining that Mr. Guertin is incompetent and provided the following diagnoses:

Unspecified Schizophrenia Spectrum and Other Psychotic Disorder (primary).

Mr. Guertin challenges Dr. Rogstad's conclusion, taking the position that he is competent to proceed in his criminal matters. Mr. Guertin testified that he is currently employed as the Chief Executive Officer (CEO) of a start-up company. His company is listed as the assignee on United States Patent No. 11,577,177 B2, and he, as an individual, is listed as the inventor and the applicant. *Ex. 1.* Mr. Guertin testified that he understands his charges, noting that reckless discharge of a firearm in a municipality is a felony with a maximum of a two-year sentence. He notes that he and his attorney have discussed possible defenses; that he understands the information relayed to him by his attorney; and that there is nothing impeding their relationship. In fact, Mr. Guertin and his attorney, Mr. Rivers, have had a professional relationship for many years. Mr. Guertin also admitted to having been through criminal proceedings in the past. While he acknowledged that he may not understand all the technicalities of criminal proceedings, he indicates that he would ask his attorney if he had questions about the proceedings. Mr. Guertin appeared well-dressed, noting that he wore a tie to court "to be presentable." He presents as intelligent and passionate about his work with technology, including his patent. However, much of his testimony was focused on his

27-CR-23-1886

technological work and patent, and he required frequent redirection to stay on point. In fact, there were times during his testimony that Mr. Guertin became lost in his answer to a question because of rambling statements about his patent or other unrelated topics. For instance, when discussing the events that led to what he describes as the "most cordial standoff ever" [with the police], Mr. Guertin began discussing his actions in firing his gun in order to attract the police. He did so instead of calling 911 because he could not trust his electronic devices due to his suspicions involving Netflix and Microsoft and protection of his patent. The court appreciates Mr. Guertin's testimony and his participation in the hearing; however, the court has serious concerns regard Mr. Guertin's ability to meaningfully participate in criminal proceedings and understand the process, given his perseveration regarding his patent, and his delusional beliefs about others.

Filed in District Court
State of Minnesota
7/13/2023 1:24 PM

Dr. Rogstad opines that Mr. Guertin is not competent to proceed in his criminal matters, concluding in her report " ... that Mr. Guertin's symptoms presently compromise his capacity to understand rationally the proceedings, participate in the defense, and consult rationally with counsel." Ex. 3, p. 9. Dr. Rogstad offers a diagnosis of Unspecified Schizophrenia Spectrum and Other Psychotic Disorder (primary). While Dr. Rogstad testified that this is a legitimate diagnosis, she indicated that additional information would be needed to provide more specificity. Dr. Rogstad notes that Mr. Guertin " ... displays prominent delusional beliefs that include persecutory and referential themes," the content and intensity of which " ... are highly consistent with phenomenology of the persecutory delusions that can accompany psychotic disorders." *Id.* at 7. She further indicates that Mr. Guertin may also suffer from a mood-related disorder, namely mania or hypomania, given "... his frequent digressions and tendency to become distracted by his own thoughts," which "... were consistent with flight of ideas." *Id.* at 8. She also notes that Mr. Guertin was "highly distractible" during the examination, making it " ... difficult to extract meaningful,

27-CR-23-1886

coherent information from him." *Id.* The court observed identical behavior during his testimony on July 7, 2023, to that exhibited during his examination. Dr. Rogstad testified that misuse' of Adderall could account for some of Mr. Guertin's symptoms, but acknowledged that she was not a toxicologist or medical doctor and that she did not know how much Adderall Mr. Guertin actually took. Despite reporting this possibility, Dr. Rogstad opines Mr. Guertin is not competent.

Filed in District Court
State of Minnesota
7/13/2023 1:24 PM

As a result of his symptoms, Dr. Rogstad believes that Mr. Guertin is unable to participate in the legal process regarding his criminal matters. She credibly testified that while Mr. Guertin has good factual knowledge, he is unable to apply this knowledge due to delusional beliefs. For example, when Mr. Guertin spoke about his delusional beliefs, he indicated he would present evidence supporting these beliefs. In her report, Dr. Rogstad states, " ... while he knows the nature of his charges, Mr. Guertin's delusional beliefs are inextricably linked to his perceptions of his current legal situation, and they obstruct his ability to apply this factual legal knowledge to discussions of his own case in a rational manner devoid of delusional reasoning." *Id.* at 9. Specifically, Dr. Rogstad reports that his delusions impacted his perception of relevant evidence, that he supported the choices he made "...with impaired perceptions of objective reality," and that ultimately, he was unable to participate in "consistently coherent" and "reality-based" discussions regarding the proceedings. *Id.* Her testimony supports these conclusions when she states that Mr. Guertin did not understand evidence or the ramifications of making decisions because of the delusions that emerged as they were discussing legal proceedings. Dr. Rogstad also testified that Mr. Guertin lacks insight into his mental health, as evidenced by his belief that he is under duress as opposed to having any impaired perceptions. Finally, Dr. Rogstad testified that neither her report nor her opinion changed after observing Mr. Guertin's testimony during the July 7, 2023 hearing.

¹ Mr. Guertin testified that he takes additional dosages of his Adderall medication on long days because the medication is "fast-acting." He gave one example as working overnight at Coachella to finish an art piece for the next day.

27-CR-23-1886

The court finds that the greater weight of the evidence establishes that Mr. Guertin is not competent to proceed at this time. He suffers from a mental illness with a diagnosis of Unspecified Schizophrenia Spectrum and Other Psychotic Disorder, as offered by Dr. Rogstad. This may also include a mood component, namely mania or hypomania. This mental illness prevents Mr. Guertin from rationally understanding the legal process and obstructs his ability to prepare a defense or rationally consult with his counsel. Dr. Rogstad persuasively reports that Mr. Guertin's delusions impact his strategical decisions. For instance, he indicated that providing testimony at his trial would serve " ... as a way to 'have the opportunity to make all this stuff [about his perceived persecution] public in the courtroom,'" with similar thoughts regarding evidence he collected. Ex. 3, p. 9. Additionally, the court observed Mr. Guertin testify, during which his answers often wandered towards the themes of technology, patents, and competitors. While it is evident that Mr. Guertin is an intelligent, talented individual with a passion for technology, this does not necessarily make him competent to proceed in his criminal matters. He may understand the factual components of criminal proceedings, but it is evident to the court that he is unable to apply this factual knowledge in his defense. Based upon the totality of evidence before the court including Mr. Guertin's testimony, Dr. Rogstad's testimony, and the exhibits received into evidence, the court concludes that the greater weight of the evidence establishes that Mr. Guertin is not currently competent to proceed and thus, the defense has not met their burden of proof.

Filed in District Court
State of Minnesota
7/13/2023 1:24 PM

In summary, the court finds the testimony and report of Dr. Rogstad to be the most credible and persuasive evidence regarding Mr. Guertin's competency to proceed. Dr. Rogstad has extensive experience conducting forensic evaluations, including having completed approximately 400 forensic evaluations. See also Ex. 2. Her report was thorough and considered several possible factors contributing to Mr. Guertin's symptoms, as well as the significance of those symptoms.

27-CR-23-1886

The court also notes the similarity in Mr. Guertin's presentation during both his evaluation and at the July 7, 2023 hearing: Mr. Guertin presented as verbose, with responses to questions that included excessive detail. He often brought his responses back to the themes of technology, patents, and competitors; and on occasion, had to ask that questions be repeated due to his extensive responses. Mr. Guertin appears to the court to be unable to separate matters involving his criminal charges from his delusional thoughts regarding his technology. It was evident that he continues to suffer from mental health concerns that impact his ability to fully understand and engage in the proceedings regarding his criminal matters.

CONCLUSIONS OF LAW

"A defendant has a due process right not to be tried or convicted of a criminal charge if he or she is legally incompetent." *Bonga v. State*, 797 N.W.2d 712, 718 (Minn. 2011). Rule 20.01 of the Minnesota Rules of Criminal Procedure requires that if the court finds by the greater weight of the evidence that the defendant is competent, it must enter an order finding the defendant competent to proceed. Minn. R. Crim. P. Rule 20.01, subd. 5(c). A defendant is incompetent and must not plead, be tried, or be sentenced if the defendant due to mental illness or cognitive impairment lacks ability to: (a) rationally consult with counsel; or (b) understand the proceedings or participate in the defense, subd. 2. The determination of whether a defendant is able to rationally consult with the defense attorney or understand and participate in the proceedings turns on the facts of each particular case. Moreover, fact-finders, including district courts, are not required to accept an expert's testimony or recommendation. *State v. Roberts*, 876 N.W.2d 863, 868 (Minn. 2016). Foremost, throughout the criminal proceedings the trial court must be mindful of its protective duty to ensure that a defendant is competent to proceed. See *State v.*

27-CR-23-1886

Bauer, 245 N.W.2d 848, 852 (Minn. 1976) (ruling that the court should have conducted further inquiry into the important matter of defendant's competency).

The greater weight of the evidence establishes that Mr. Guertin is incompetent to proceed.

**In The Matter of the Civil Commitment of:

Court Case# 27-MH-PR-23-815

MOTION FOR CONTINUANCE

I, Matthew David Guertin, the respondent in the above-referenced civil commitment proceeding, hereby respectfully request a continuance of the court hearing currently scheduled for February 1, 2024. This request is based on several critical factors that significantly impact my ability to adequately prepare for the hearing.

1. I have only recently become aware of the scheduled court date, giving me less than a week to prepare, which is insufficient given the complexity of the case.

2. I have not received crucial medical records, including the psychological evaluation report by Dr. Adam Milz, despite repeated requests to my legal representatives.

Email communications showing my attempts at receiving my exam report are included with this motion

3. There has been a lack of effective communication with my civil court-appointed attorney, possibly due to errors in information provided by the court or an oversight on the part of the attorney. Regardless I was just alerted via email yesterday that he did not have a correct phone number to reach me.

Email from Joel Fisher indicating that he was not provided with or did not have my correct phone number on record is included with this motion.

4. I am considering the possibility of seeking advice from private counsel to ensure a comprehensive defense.

5. Confusion and potential misinformation about my case have been indicated in communications I had with someone from the Hennepin County Prepetition Screening Program, whom I spoke with on the phone yesterday after receiving a call, further complicating my situation

Pursuant to Rule 122 of the Hennepin County Civil Court Rules, a continuance can be requested by motion in situations where the parties have not had adequate time to prepare due to emergent issues. Additionally, Rule 115 of the Special Rules of Practice for the Hennepin County Civil Court governs civil motion practice and supports the consideration of such requests to ensure proper preparation and fair proceedings.

Filed in District Court
State of Minnesota
1/30/2024 6:37 AM

REASONS FOR REQUEST:

1. **Lack of Essential Medical Records:** Non-receipt of crucial medical records directly hinders my understanding of the case and defense preparation.
2. **Need for Effective Communication with Legal Counsel:** The apparent miscommunication with my appointed attorney affects my right to effective legal representation.
3. **Exploring Options for Private Legal Counsel:** The serious nature of the case compels me to consider additional legal opinions to ensure the best possible defense. In regards to the 'seriousness' that I mention I am specifically referring to the contents of the court order that was filed in criminal court as a result of Dr. Adam Milz's psychological evaluation report which makes mention of me potentially losing my freedom by being detained and committed to a facility.

The mentioned court order filed in criminal court is included with this motion for reference.

4. **Requirement for Clarity and Fairness in Proceedings:** The confusion and potential errors in the handling of my case by the involved agencies necessitate additional time for clarification and appropriate preparation.

I kindly request that the court reschedule the hearing to a date at least 30 days later to allow sufficient time for these preparations.

In the interest of justice and a fair hearing, I respectfully request the Court to grant this motion for continuance. Adequate preparation time is essential to ensure that my rights are fully protected and that I can effectively participate in my defense. All communication regarding this motion is to be directed to myself via the email listed at the top of this motion please.

Thank you for your attention to this matter.

Respectfully,

Isi Matthew David Guertin

Joel,

Apparently you are my newly assigned attorney since I am still incompetent and unable to understand the nature of the charges against me or aid in my own defense...

I found your contact information by logging into my Hennepin County Case file and reviewing the service contacts....you know....since I am incompetent and whatnot.

I tried calling you but did not get an answer. Just wanted to touch base.

I am also wondering if my court proceedings are going to be over Zoom?

I assembled the timeline and graph you see below based on automated emails I received from LinkedIn and added personal events to it as well. In addition I have also attached all of the irrefutable, digitally authenticated 'PROOF' to this email in the form of all of the corresponding email headers, raw html, .EML exports, and PDF prints for every search date which serves to forensically verify the entire graph including the search count numbers listed as well as the actual entities that conducted searches of my LinkedIn profile.

In addition I have also attached my original psychological evaluation from Jill Rogstad along with all email communication between myself and her, my psychological evaluation conducted by Michael Robertson, My granted patent, the Netflix granted patent (that my name and patent are listed at the very top of...) along with the letter my California psychiatrist I have been seeing for over 7+ years wrote as a response to Dr. Jill Rogstad's egregious report.

I look forward to talking with you and meeting you prior to my court hearing that is coming up. If you are available for a call or a Zoom sometime soon (before my court appearance...) let me know what works and I will make it work on my end.

Thanks for your time,

STATE OF MINNESOTA**COUNTY OF HENNEPIN****DISTRICT COURT****FOURTH JUDICIAL DISTRICT****CIVIL DIVISION****In the Matter of the Civil Commitment of:****Matthew David Guertin,****Respondent****Court Case # 27-MH-PR-23-815****MOTION FOR PRODUCTION OF MEDICAL RECORDS**

I, Matthew David Guertin, the respondent in the above-referenced civil commitment proceeding, hereby respectfully request the production of medical records pertaining to my psychological evaluation conducted by Dr. Adam Milz. This motion is made pursuant to the relevant rules and regulations governing the disclosure and production of medical records in the State of Minnesota and Hennepin County.

1. As part of the ongoing proceedings in my case, I underwent a psychological evaluation conducted by Dr. Adam Milz on January 3rd 2024
2. The findings and details of this evaluation are critical to my understanding of the case and preparation for my defense.
3. Despite multiple requests, I have not yet received these essential documents.

Pursuant to Rule 15 of the Special Rules of Practice for the Hennepin County Civil Court, which allows for the admission of relevant and reliable evidence including medical records without requiring foundation witnesses, and in accordance with Rules 11.03(a) and 14.06 of the General Rules of Practice for the District Courts, I request the production of my medical records.

I specifically request the Court to direct Dr. Adam Milz, or the custodian of his records, to produce the following:

1. The complete psychological evaluation report conducted by Dr. Adam Milz of myself on January 3rd 2024
2. All notes, observations, and any other documents or records related to the evaluation.
3. Any other relevant medical or psychological records that pertain to my mental health evaluation and treatment.

REASONS FOR REQUEST:

Access to these records is essential for a comprehensive understanding of the evaluation's conclusions, which are instrumental in formulating my defense strategy in the civil commitment proceedings.

In light of the above, I respectfully request the Court to order the production of the specified medical records at the earliest convenience. This is necessary to ensure that I have a fair opportunity to review and respond to the information contained within these documents, which are critical to my case. All communications and correspondence pertaining to this motion can be directed to me via my email address included at the top of this motion.

Thank you for your attention to this matter.

Respectfully,

STATE OF MINNESOTA
COUNTY OF HENNEPIN

DISTRICT COURT
FOURTH JUDICIAL DISTRICT

State of Minnesota,

Court File No.: 27-CR-23-1886

Plaintiff,

vs.

DEFENDANT'S MOTION
TO REPRESENT SELF
PRO SE

Matthew David Guertin,

Defendant.

Judicial Officer: Jay Quam

TO: THE HONORABLE JAY QUAM, JUDGE OF THE DISTRICT COURT; MS. JACQUELINE PEREZ, ASSISTANT HENNEPIN COUNTY ATTORNEY; AND MR. BRUCE RIVERS, CURRENTLY APPOINTED COUNSEL, WHO IS HEREBY NOTIFIED OF THE DEFENDANT'S INTENT TO DISMISS SAID COUNSEL AND PROCEED PRO SE.

MOTION

COMES NOW the Defendant, Matthew David Guertin, pursuant to Rule 10.01 of the Minnesota Rules of Criminal Procedure, the Sixth and Fourteenth Amendments to the United States Constitution, Minn. Stat. § 611.14, and relevant case law, including *Indiana v. Edwards*, 554 U.S. 164 (2008), and respectfully moves this Court for an order allowing the Defendant to represent himself in the above-captioned matter. In support of this Motion, the Defendant states as follows:

INTRODUCTION

The Defendant has been informed of his right to effective assistance of counsel under the Sixth Amendment and understands the risks and responsibilities associated with self-representation.

LEGAL BASIS FOR MOTION

Under Rule 10.01 of the Minnesota Rules of Criminal Procedure, a defendant has the right to the assistance of counsel and the corollary right to represent oneself.

The Supreme Court in *Indiana v. Edwards*, 554 U.S. 164 (2008), recognized that a state may insist upon representation by counsel for those competent enough to stand trial under the Dusky standard but who still may not be competent to conduct trial proceedings by themselves.

The Dusky standard, established in *Dusky v. United States*, 362 U.S. 402 (1960), requires that a defendant have a sufficient present ability to consult with his lawyer with a reasonable degree of rational understanding and a rational as well as factual understanding of the proceedings against him.

DEFENDANT'S COMPETENCY AND UNDERSTANDING

The Defendant reasserts his competency under the Dusky standard, emphasizing a rational and factual understanding of the proceedings and the ability to conduct his defense. Notably, the court has previously acknowledged the Defendant's capacity to engage in significant legal decisions, as evidenced in the following instances:

1. Consultation and Waiver Decision:

The court deemed the Defendant competent enough to consult with a court-appointed attorney and make informed decisions regarding the waiver signed by the Defendant on January 31st, 2024. This action presupposes a recognition of the Defendant's understanding and capacity to make reasoned legal decisions.

SEE EXHIBIT A – Waiver.

For the purposes of this argument, Exhibit A - the Waiver, is referenced solely to illustrate inconsistencies in the court's application of competency standards, not as

an acknowledgment of its validity or as an affirmation of informed consent. The Defendant explicitly reserves all rights to contest the waiver's validity on grounds of lack of informed consent and miscommunication regarding the court proceedings.

2. 'ACCEPTANCE OF TERMS OF STAY OF COMMITMENT' Agreement:

Furthermore, in the proceedings related to the Defendant's civil commitment, the court's decision to proceed with the 'ACCEPTANCE OF TERMS OF STAY OF COMMITMENT' agreement—specifically altering the requirement for a psychologist's endorsement by placing 'N/A' on the signature line of Court Examiner, Michael Robertson in which his signature would have been affirming the following statement:

“Based upon my examination of the respondent and review of relevant records, I am of the opinion that the respondent is competent to understand this agreement.”

This decision implicitly acknowledges the Defendant's competency to understand and agree to complex legal and medical arrangements.

SEE EXHIBIT B – Page 4 of 'ACCEPTANCE OF TERMS OF STAY OF COMMITMENT'

ARGUMENT FOR CONSISTENCY IN COMPETENCY DETERMINATIONS

The Defendant argues for a consistent application of competency standards across his legal proceedings. The inclusion of Exhibits A and B supports the argument that the Defendant has been recognized as competent in crucial legal contexts, which should logically extend to his capacity for self-representation.

DEFENDANT'S ACKNOWLEDGMENT OF RISKS

The Defendant acknowledges the risks associated with self-representation, including the potential for a less favorable outcome than if represented by counsel, and asserts his informed decision to waive his right to counsel.

REQUEST FOR STANDBY COUNSEL

Given the complexities of legal proceedings and in alignment with the principles established in *Indiana v. Edwards*, the Defendant requests the Court appoint standby counsel to assist if necessary, ensuring the fairness of the trial process while respecting the Defendant's autonomy in his defense.

EXHIBITS

Attached herewith are the exhibits referenced in this motion:

Exhibit A:

Waiver signed by the Defendant in consultation with court-appointed attorney Joel Fisher, on January 31st, 2024 demonstrating the court's recognition of the Defendant's competency to make informed legal decisions.

Exhibit B:

Page 4 from the "ACCEPTANCE OF TERMS OF STAY OF COMMITMENT" agreement, which was altered by the court to reflect the Defendant's competency in agreeing to complex legal and medical arrangements, signed by the Defendant on August 9th, 2023, and officially entered into the record of civil case file 27-MH-PR-23-815 on August 9th, 2023.

These exhibits are provided to substantiate the Defendant's argument for a consistent application of competency determinations and his capacity to represent himself pro se.

COMMITMENT TO PROCEDURAL AND SUBSTANTIVE RESPONSIBILITIES

The Defendant wishes to affirm to the Court his full understanding and commitment to upholding both the procedural and substantive responsibilities entailed in self-representation. The Defendant recognizes the gravity and complexity of navigating legal proceedings and is prepared to diligently engage with the court's processes, adhere to legal standards, and present a defense that is coherent, respectful, and grounded in law. This commitment underscores the Defendant's determination to ensure that his representation is not only in compliance with the procedural requirements but also effectively advocates for his rights and interests within the substantive framework of the justice system.

RELIEF SOUGHT

WHEREFORE, the Defendant respectfully requests the Court:

- a) Grant this Motion allowing the Defendant to represent himself pro se in the above-captioned matter;
- b) Appoint standby counsel to provide assistance as needed, pursuant to *Indiana v. Edwards*;
- c) Schedule a hearing on this Motion, if the Court deems it necessary¹; and
- d) Grant such other and further relief as the Court deems just and proper.

¹ Defendant respectfully requests that any scheduled hearings be scheduled after May 5, 2024 as Defendant is also currently maintaining the role of 'pro se patent attorney' insofar as formulating a legally sound response to the non-final office action that was issued by the USPTO for US Patent Application 18/108,858 on December 5th, 2023 of which the Defendant is the inventor of.
