3. The Hennepin County Prepetition Screening Program (PSP) must conduct a prepetition screening pursuant to the Minnesota Commitment and Treatment Act and make a recommendation as to whether the defendant should be civilly committed under the Act.

5. Prepetition Screening shall provide copies of the Rule 20 Competency Evaluation, the criminal Complaint(s), and the underlying police report(s) along with its written recommendation to the Hennepin County Attorney's Office – Adult Services Division.
6. Defendant is ordered to cooperate with the civil commitment process including appearing at all court appearances in the civil and criminal cases.
7. Members of PSP shall have access to all Defendant's files and records, including those protected by Federal regulation or law. This Order shall be sufficient to require an agency, department, entity, or health care provider to release the requested information and/or records related to treatment Defendant has received in connection with that facility. Any of the defendant's records released pursuant to this order may not be disclosed to any other person without court authorization or Defendant's signed consent.

COMPLAINT

Order of Detention

The Complainant submits this complaint to the Court and states that there is probable cause to believe Defendant committed the following offense(s):

COUNT I

Charge: Simple Robbery

Minnesota Statute: 609.24, with reference to: 609.24

Maximum Sentence: 10 YEARS AND/OR \$20,000

Offense Level: Felony

Offense Date (on or about): 11/08/2022

Control #(ICR#): 22012039

Charge Description: That on or about 11/8/2022, in Hennepin County, Minnesota, Rex Allen Basswood Jr took personal property, from the person or in the presence of victim, knowing that he/she was not entitled to the property and used and/or threatened the imminent use of force against the victim to overcome his/her resistance or powers of resistance to or to compel acquiescence in the taking or carrying away of the property.

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

On December 8, 2022, Officers from the Bloomington Police Department were dispatched to the Nordstroms at the Mall of America in Bloomington, Hennepin County, MN for a report of a trespasser. Officers contacted Nordstrom Loss Prevention Officers and learned the following:

A male that was immediately recognized as REX BASSWOOD, DOB 7/19/1989, Defendant herein, was in the store. Defendant was previously trespassed from the store and was known to the Loss Prevention Officers for attempting to steal and being aggressive. Defendant was inside the Chanel boutique store within the Nordstroms, grabbed a small black Chanel bag and walked out of the boutique store. A loss prevention officer attempted to stop Defendant. Defendant initially brushed past the loss prevention officer, but after another attempt to stop Defendant, Defendant began throwing punches, striking the loss prevention officer once in the face. The punch left a red mark on the loss prevention officer. Defendant then left the store and ran towards the north area of the mall.

Defendant was found walking north bound on the east side of the IKEA near the Mall of America. Officers stopped Defendant and took him into custody. Defendant was taken to Hennepin County Jail where an interview was attempted, but Defendant refused. Defendant did, however, state that he cannot be charged because the courts say he is incompetent.

Defendant is currently in custody.

Defendant, by and through counsel, hereby demands preservation of, disclosure of, and access to all evidence related to the case; moves the Court for the relief specified below; and demands a hearing on the same.

DEMAND FOR PRESERVATION AND DISCLOSURE OF EVIDENCE

Defendant demands that the State preserve all information and evidence within the reach of the disclosures required under Rule 9.01 of the Minnesota Rules of Criminal Procedure and applicable case law.

Defendant further demands that the State disclose all such information and evidence, and that it make all disclosures required by Rule 9.01 prior to the probable cause pretrial conference in this case.

Defendant demands access to all items subject to disclosure, and this access shall include, as appropriate, the opportunity to inspect, reproduce, photograph, test, interview, or otherwise document the matters disclosed.

These demands apply to:

1. **Investigative reports** prepared by state agents or employees in the investigation or evaluation of the case, together with the original notes of the arresting officers, if any.
2. **Statements**, as fully described in Rule 9.01, subd. 1(2). This request includes any written or recorded statement made by the Defendant or any alleged accomplice, regardless of when made, and the substance of any non-recorded oral statements by the Defendant or accomplices. This request includes recorded statements by any other person and any written record containing the substance of statements by them, whether

or not they are expected to be called at trial. This request includes statements made to any member of prosecution's staff, victim advocates, and any other person of which the government is aware or should be aware. State v. Adams, 555 N.W.2d 310 (Minn. App. 1996). It also includes disclosure of the fact that an interview with a witness took place, regardless of whether it was transcribed or whether written statements or written summaries were prepared. State v. Kaiser, 486 N.W.2d 384, 386-87 (Minn. 1992) This request also encompasses copies of recorded statements made pursuant to State v. Scales, 518 N.W.2d 587 (Minn. 1994) and any attempted recordings that for whatever alleged reason are inaudible or unavailable.

3. **Audio or video records** produced regarding this case, including squad video, 911 calls, radio runs, police radio communications, scout runs, police transport recordings, and record checks.
4. **Reports related to examinations, tests, or expert testimony**, as fully described in Rule 9.01, subd. 1(4). In addition to disclosure, Defendant also demands the in-person testimony of all analysts who performed tests the results of which the state intends to introduce into evidence at any hearing related to this case. Further, defendant hereby provides notice that he retains his right to cross-examine the analysts under State v. Caulfield, 722 N.W.2d 304, Minn. 2006.
5. **Documents and other tangible objects**, as fully described in Rule 9.01, subd. 1(3)
6. **Search warrants** obtained and executed regarding the case, including inventories and items seized.
7. **Identification procedures** including but not limited to lineups, show-up identifications, photo arrays, or the like, and details on the nature and circumstances of any and all identification procedures that become known to the government in the future.
8. **Witnesses and other persons**, as fully described in Rule 9.01, subd. 1(1).
9. **Conviction records** for all witnesses and other persons, as required to be disclosed under Rule 9.01, subd. 1(1).
10. **Prior convictions** of the Defendant or defense witnesses, to be provided as certified copies. In addition to disclosure, defendant also demands notice if the state intends to use a conviction to impeach any defense witness, including Defendant.
11. **Alleged but uncharged misconduct, prior bad acts, or relationship evidence** which the State intends to introduce at trial in this matter, disclosure to include police reports and any other documentation.

12. **Evidence related to an enhanced or aggravated sentence**, as identified in Rule 9.01, subd. 1(7). In addition to disclosure, defendant also demands notice if the state intends to seek an aggravated or enhanced sentence.

These requests encompass all information or evidence known to the prosecutor on this case personally or if known to any other prosecutor or law enforcement agent, as well as information and evidence about which the prosecutor on this case could acquire actual knowledge through the exercise of due diligence in responding to these inquiries.

Lastly, the defense demands disclosure of all audio or video files on CD ROM or DVD ROM disc, and demands that the state provide any and all software or other files necessary to open, view or play such disc(s).

This demand for preservation and disclosure, in its entirety, continues until final disposition of this case. It therefore encompasses any additional information subject to disclosure that becomes known to the State after the State has begun complying with discovery rules, orders or defense requests. Minn. R. Crim. P. 9.03, subd. 2;

**DEMAND FOR PRESERVATION AND DISCLOSURE OF EVIDENCE
TENDING TO NEGATE OR REDUCE THE DEFENDANT'S GUILT**

Defendant demands that the State preserve and disclose all evidence and information known to the State which tends to negate or reduce the guilt of the Defendant, together with all evidence and information which might tend to mitigate or reduce potential punishment, as required under Minn. R. Crim. P. 9.01 subd. 1(6), under Brady v. Maryland, 373 U.S. 83 (1963), and under subsequent cases. This demand includes but is not limited to the following:

1. Evidence of bias of government witnesses or any consideration given a witness in return for cooperation with the government, including any information regarding pre-existing hard feelings, arguments, grudges, and disputes between the complainant and the Defendant.
2. Information that a government witness and/or informant was under the influence of alcohol, narcotics, or any other drug at the time of the observations about which the witness will testify and/or the informant informed.
3. Information tending to show the unreliability of a government witness, or which would tend to discredit the testimony of a government witness, including a request

for any prior inconsistent, non-corroborative, or other witness statements which the witness' trial testimony will not reflect.

4. Information—including docket numbers, dates and jurisdictions—indicating that
 - a. a government witness has had a pending juvenile or criminal case on or since the offense in this case;
 - b. a government witness was arrested, pleaded guilty, had a trial, or was sentenced on or since the date of the offense in the present case;
 - c. a government witness was on juvenile or criminal parole or probation on or since the date of the offense; and
 - d. a government witness now has or has had any other liberty interest that the witness could believe or could have believed might be favorably affected by government action.
5. Information that any government witness is or has been a police informant either at the time of the offense and/or through the day of trial, including the kind of assistance or benefits provided. "Benefit" refers to any monetary compensation, assistance of the prosecutor or the court concerning pending charges against the informant, or any other sort of consideration of value. Here, the demanded disclosure includes but is not limited to:
 - a. the length and extent of the witness' informant status;
 - b. the amounts that have been paid to the informant in connection with this case;
 - c. non-monetary assistance provided or promised to the informant, including, but not limited to, assistance in avoiding or minimizing harm from charges pending against the informant either at the time of the offense and/or any other time through the day of trial;
 - d. all statements made to the informant that promised benefits would not be provided without cooperation in connection with this case;
 - e. the nature of assistance provided to the informant prior to this case, including the number of occasions and form of help.
6. Information which tends to show a government witness' corruption including anything in police officers' personnel files indicative of corruption.
7. Perjury by any government witness at any time, whether or not adjudicated and whether or not in connection with this case.

8. Information that any government witness has made prior false accusations, including but not limited to prior complaints to the police or law enforcement agencies that did not result in a conviction.
9. Information regarding any prior "bad act" of a government witness which may bear upon the veracity of the witness with respect to the issues involved in the trial, including but not limited to the issues of self-defense or defense of others.
10. Any other information tending to show a government witness' bias in favor of the government or against the defendant or which otherwise impeaches a witness' testimony, including civilian-review-board complaints against police officers involving facts similar to those of this case, whether resolved for or against the officer.
11. Names and addresses of all witnesses who do not fully corroborate the government's case or would serve to contradict or impeach the government's evidence.
12. Any indication of threats or acts of aggression toward the defendant by the complainant or decedent, and any information that the complainant had possession of any weapons at the time of the incident. Also, any other information which would indicate that the complainant was the first aggressor and/or that the Defendant acted in self-defense.
13. Names and address of any person who:
 - a. identified some person other than the Defendant as a perpetrator of the alleged offense;
 - b. failed to identify the Defendant as a perpetrator of the alleged offense when asked to do so in any identification procedure;
 - c. gave any description(s) of the perpetrator(s) of the alleged offense which in any material respect differs from my client.
14. Information known to the government which is favorable to the defense, whether or not technically admissible in court, and which is material to the issues of guilt and/or punishment. This includes all information that the Defendant was not involved in the alleged offenses and/or that the requisite elements required to prove any of the charged offenses cannot be met.

Defendant further demands that all officers and investigative agencies concerned abide by their continuing obligation to discover, preserve, and disclose in writing any information or materials that might be viewed as favorable to the Defendant on the issues of suppression, guilt, or punishment,

either substantively, as impeachment, or as tending to discredit the government's witnesses. Kyles v. Whitley, 115 S.Ct. 1555 (1995) (imposing upon law enforcement and the prosecutor a "duty to learn" favorable information relating to the Defendant).

These requests encompass all information or evidence known to the prosecutor on this case personally or if known to any other prosecutor or law enforcement agent, as well as information and evidence about which the prosecutor on this case could acquire actual knowledge through the exercise of due diligence in responding to these inquiries.

Lastly, the defense demands disclosure of all audio or video files on CD ROM or DVD ROM disc, and demands that the state provide any and all software or other files necessary to open, view or play such disc(s).

This demand for preservation and disclosure, in its entirety, continues until final disposition of this case. It therefore encompasses any additional information subject to disclosure that becomes known to the prosecutor, staff, or anyone investigation investigating this case after the State has begun its compliance with discovery rules, orders or defense requests. Minn. R. Crim. P. 9.03, subd. 2;

MOTION TO COMPEL DISCLOSURE AND ACCESS

Defendant moves the Court for an Order requiring the State

- 1 To preserve all evidence and other matters subject to disclosure as herein demanded and as otherwise required by Minnesota Rule of Criminal Procedure 9.01.
- 2 To permit Defendant to have access to, inspect, reproduce, photograph, or otherwise document all disclosed items, as described in Minn. R. Crim. P 9.01, subd. 1 & subd. 1a(2).
- 3 To allow defendant to conduct reasonable tests or to provide notice and an opportunity for defense experts to observe the state's own tests if those tests preclude further tests or experiments, as described in Minn. R. Crim. P 9.01, subd. 1(4)(b).
- 4 To assist Defendant in seeking access to specified matters relating to the case which are within the possession or control of an official or employee of any governmental agency, but which are not within the control of the prosecuting attorney, as described in Minn. R. Crim. P. 9.01, subd 2(1).
- 5 For an Order directing the prosecuting attorney to identify and produce any informants who supplied or contributed information to the prosecution which led to the issuance of a Complaint against the Defendant on the grounds:

- a. The privilege of non-disclosure of any informants must give way and disclosure of the identity of an informer is required where disclosure is essential or relevant and material, and helpful to the defense of an accused, or lessens the risk of false testimony, or is necessary to secure useful testimony, or is necessary to a fair determination of the cause; or
- b. Disclosure is necessary as a means to afford this Defendant an opportunity to establish that if informants did exist, that the information supplied to the prosecutor by them was inaccurate or misrepresentative.

MOTION TO SUPPRESS EVIDENCE

Defendant moves the Court for an Order suppressing, particularly with respect to those items identified in the state's notice under Rule 7.01:

- 1 Any and all evidence obtained as a result of a stop, search, or seizure, on the ground that such evidence was obtained in violation of Defendant's constitutional and statutory protections against unreasonable searches and seizures.
- 2 Any and all confessions, admissions, or statements in the nature of confessions made by Defendant, together with any evidence obtained as a result thereof, on the grounds that any use of such evidence, in any manner, would be in violation of the Defendant's constitutional and statutory rights.
- 3 Any and all identifications of Defendant and evidence of identification procedures used during the investigation, together with any evidence obtained as a result of identification procedures used during the investigation, on the ground that any use of such evidence, in any manner, would be in violation of the Defendant's constitutional and statutory rights.

Defendant further moves this court for an order suppressing other evidence or granting any relief that the court may require to ensure a fair and expeditious trial on this matter.

MOTION TO EXCLUDE EVIDENCE

Defendant moves the Court for an Order restraining the prosecution from attempting to introduce at trial:

- 1 Evidence obtained as a result of stop, search, or seizure, confession or other statement by the Defendant, or identification procedures, as described above, on the grounds that the notices filed by the State are vague, ambiguous, and inspecific, all to the prejudice of the Defendant and contrary to the meaning of Minnesota R. Crim. P. 7.01.
- 2 Evidence that Defendant has been guilty of additional misconduct or crimes on other occasions, on the grounds that the state has not provided notice of its intent to use such evidence or, if it did, that such notice was not specific enough or failed to specify a particular exception to the general rule of exclusion. Defendant also moves for exclusion on the grounds that the evidence is not admissible under any exception to the general rule of exclusion, that such evidence is more prejudicial than probative, or that such evidence has not been proven to be clear and convincing.
- 3 Evidence, argument, or any other reference to prior convictions, if any, of the Defendant.
- 4 Any and all other evidence for which the State has failed to provide notice as required by the Minnesota Rules of Criminal Procedure

Defendant further moves this court for an order excluding other evidence or granting any relief that the court may require to ensure a fair and expeditious trial on this matter.

DEMAND FOR HEARING

Defendant hereby demands a contested hearing on the above motions, to be held as soon as practicable after the serving and filing hereof.

Respectfully submitted,

Daniel Provencher, Assistant Hennepin County Attorney – Criminal Division;

Chelsea Knutson, Assistant Hennepin County Public Defender

3. The Hennepin County Prepetition Screening Program (PSP) must conduct a prepetition screening pursuant to the Minnesota Commitment and Treatment Act and make a recommendation as to whether the defendant should be civilly committed under the Act.
4. PSP shall investigate whether civil commitment should be pursued and forward a recommendation in a written report supporting or not supporting civil commitment to the Hennepin County Attorney's Office – Adult Services Division ("HCAO-ASD") within five (5) days of receiving this Order.
5. Prepetition Screening shall provide copies of the Rule 20 Competency Evaluation, the criminal Complaint(s), and the underlying police report(s) along with its written recommendation to the Hennepin County Attorney's Office – Adult Services Division.
6. Defendant is ordered to cooperate with the civil commitment process including appearing at all court appearances in the civil and criminal cases.
7. Members of PSP shall have access to all Defendant's files and records, including those protected by Federal regulation or law. This Order grants the members of PSP access to the records of any individual or entity that has provided observation, evaluation, diagnosis, care, treatment, or confinement of the Defendant. This Order applies to, but is not limited to, records maintained by: Minnesota Fourth Judicial District Court Psychological Services; chemical dependency evaluators and treatment providers; health clinics; medical centers and hospitals; physicians; psychologists; mental health care providers; case managers; parole and probation

9. If the Fourth Judicial District Court – Probate/Mental Health Division finds the Defendant to be mentally ill, developmentally disabled, chemically dependent, or mentally ill and dangerous to the public, the Defendant may be committed directly to an appropriate safe and secure facility. The Hennepin County Sheriff shall transport the Defendant from the Hennepin County Adult Detention Center to the custody of the head of the facility named in the order for civil commitment when notified that placement is available for the Defendant.
10. The head of the treatment facility shall submit a written report addressing the Defendant's competency to proceed in the criminal case when the Defendant has attained competency, or at least every six months.
11. Psychological Services of Hennepin County District Court, or the Department of Human Services Forensic Evaluation Department if the defendant is civilly committed, shall have access to Defendant's treatment records to prepare the required report(s) on the defendant's mental condition with an opinion as to competency to proceed. By presentation of a copy of this order, whether mailed, sent electronically, discussed verbally, or personally delivered, the custodian of records for any agency, department, or health care provider shall release all information and/or records related to Defendant, including medical, psychological, behavioral, social service, probation/correctional, developmental disability, military, Social Security, employment, and educational records, to the agency requesting the records within 72 hours. This Order shall be sufficient to require an agency, department, entity, or health care provider to release the requested information and/or records related to treatment Defendant has received in connection with that facility. Any of the defendant's records released pursuant to this order

may not be disclosed to any other person without court authorization or Defendant's signed consent.

12. The criminal conditions of release remain in effect until placement at an appropriate facility can occur.
13. If Defendant is not subject to the provisions of Minn. Stat. § 253B.18, the head of the treatment facility shall hold Defendant safe and secure under the civil commitment, and shall not permit the Defendant's release, institutional transfer, partial institutionalization status, discharge, or provisional discharge of the civil commitment until the Fourth Judicial District Court – Criminal Division has ordered conditions of release consistent with the proposed change in status. Any proposed change in status under the civil commitment requiring amended conditions of release shall be made in writing to the Fourth Judicial District Court – Criminal Division and parties at least 14 days prior to proposed change in status. The written proposal shall address the following issues 1) whether the Defendant is competent to proceed; 2) how the proposed plan will meet the Defendant's treatment needs; and 3) public safety risks and how they will be addressed. Either party may request a hearing to address the proposed changes to the conditions of release. If no hearing is requested, the court may issue an order amending the conditions of release consistent with the proposed change in status in the civil commitment matter.
14. In the event the Fourth Judicial District Court – Mental Health Division does not commit the Defendant, then the Defendant shall be transported in secure custody back to the Fourth Judicial District Court – Criminal Division for further proceedings herein.
