Re: Aesha Ibrahim Osman
Court File Number: 27-CR-18-18391

DATED: May 15, 2019

I am in receipt of the Court's order of March 6, 2019, wherein, the Bail Bonds Doctor's petition to reinstate and discharge Bail Bond FCS25-1875596 in the amount of \$20,000 was denied.

We have new information regarding this case and for reasons which will be more fully explained by our attorney, Abigail Maruish, we are requesting a hearing for reconsideration of the Court's order in which the subject petition was denied. In conjunction with our request for a hearing we respectfully ask that payment of the forfeiture penalty be stayed pending the outcome of the hearing.

The Court's thoughtful consideration in this matter is greatly appreciated.

Sincerely,
