Case Type: Crim/Traf Mandatory

State of Minnesota,  
Plaintiff,

vs.

Dennis Joseph Barry,  
Defendant.

**RESTITUTION NOTICE**

I understand Minnesota law allows the court to order restitution to victims of crime. Because information regarding the extent of the loss by any victim is not known by the court at this time, the court is allowing any victim to submit a claim for restitution in the next **30 days** (not to exceed 60 days).

The court will review any claim for restitution. If restitution appears appropriate to the court, the court will issue an order directing me to pay restitution. If I do not request a restitution hearing to challenge the restitution order within 30 days, the order becomes final.

I have a right to receive any restitution order. I can come back to court to receive the Order. Rather than returning to court, I agree a copy of the restitution order can be sent to me.
