Dear Honorable Judge Jay Quamé, courts

This letter is in regards to my son, Matthew Guertin. I am most definitely not condoning his actions on January 21, 2023. Matthew has been solely working on his invention and putting together his company, Infiniset since 2021. He was thrilled to have been granted his first patent and to move forward with his dreams.

Unfortunately the companies he was willing to sell his intellectual property to fraudulently went their own direction; therefore scaring Matthew into a corner, while they continued to steal what he put his entire life into. I sat with my son on his computer watching this take place. I too contacted Amy Klobuchar for help. I contacted the patent office for guidance as I felt helpless.

me I have also had my phone entirely hacked, losing everything. I had secured the company name, Infiniset on my Facebook for Matthew for a couple years. This too was stolen from my account on Facebook.

Matthew is not a danger to himself or society. He is definitely capable, trustworthy and competent. Very passionate about what he does in life. I have never witnessed anyone work harder than him.

Thank you for taking the time to read this and I hope you listen to his video on Substack.

Sincerely, Michelle Gventin

This poem is on my refrigerator,

~ Press On ~

Nothing in the world can take the place
of persistence;

Talent will not;

Nothing is more common than
unsuccessful men with talent.

Genius will not;

Unrewarded genius is almost a proverb

Education will not;

The world is full of educated derelicts.

Persistence and determination alone
are omnipotent.
