Hennepin County District Court:  
Court File Number: 27-CR-19-22615

This correspondence is in regards to my court file number 27-CR-19-22615 and my 42 year MN Driver's License. There may be a mixup between my court file number 27-CR-19-22615 and my court file number 27-CV-23-14046. Court file number 27-CR-19-22615 is for my 42 year MN Driver's License. Court file number 27-CV-23-14046 is for return of my property, 3847 Orchard Ave. n. Robbinsdale, MN 55422 to myself, Anne Riley. Judge Susan Robiner was assigned to my court file number 27-CR-19-22615 when I filed a Notice to Remove her from court file number 27-CR-19-22615 in accordance with MN Rule 26.03 guidelines. Then, on 11/16/2023, Judge Susan Robiner denied my request Notice to Remove Judge Christian Sande from my court file number 27-CV-23-14046 for my property legal issue. Is there a legal issue here as Anoka County District Court and Hennepin County District Court - Brooklyn Center typically address Minnesota Drivers License records and Hennepin County District Court - Government Center addresses property legal issues? Please address, if there is a legal issue if Judge Susan Robiner should be working on legal issues related to MN Driver's License and then crossing over onto legal issues related to property legal issues for the same person? This is the event that did occur when I submitted a Notice to Remove Judge Susan Robiner from my 42 year MN Driver's License. Judge Susan Robiner then denied my Notice to Remove Judge Christian Sande with her signature, on my other legal issue covered under my court file number 27-CV-23-14046. Is this legally permissible?

Please address this important legal issue at your earliest convenience as I continue to experience abnormal issues with the MN Court System causing additional work for me that is unreasonable for a typical US citizen, in terms of problem/resolution

Sincerely,

Anne Riley
